Manjit Dhanjal

Vendor Manager at CKH Innovations Opportunities Development
West Byfleet, England, United Kingdom

Summary

As a seasoned professional with more than two decades of experience in the mobile industry, I possess exceptional project and delivery management skills, coupled with a collaborative approach and innate empathy for people. I excel in navigating the complexities of global, culturally diverse corporate networks and have a proven track record of building and maintaining strong relationships with clients, partners, and stakeholders.

With a keen commercial focus and extensive expertise in product and technical project management, as well as software and IT systems delivery management, I have consistently delivered successful outcomes that meet business objectives and exceed customer expectations. Whether leading teams or working independently, I approach every challenge with enthusiasm, creativity, and a commitment to excellence.
